The School Expense Subsidy System

就学援助制度

What is the School Expense Subsidy System?

The School Expense Subsidy System is a system to help pay for school supplies, school lunch fees, and other expenses in order to reduce the financial burden on the parents/ guardians of students attending Ishigaki's municipal elementary or junior high schools.

How to Apply

-  Get a "School Expense Subsidy Application Form" from your child's school
-  Fill out the necessary information, stamp your personal seal on the application form, attach the necessary supplementary documents
-  Submit to your child's school.
Please submit additional documentation if requested after submission
-  If your application is approved, your subsidy will be allotted.

Please be aware that even if you received approval for the subsidy last year, you must apply each year for consideration.
